

## Scarf

A TEXTILES A MANO DESIGN

This is a great scarf pattern—easy and fun. It gives a great reversible pattern. If you want fringe, cut it before knitting the scarf. This little tip will help you avoid guessing how much yarn to leave for fringe.

### Instructions

With needle size appropriate for the yarn: CO 15 (or any multiple of 6 + 3)

Row 1: P1, K1 across, turn

Row 2: K3, P3 across

Repeat these two rows.

Bind off loosely. Put on the fringe; hand wash, and lie flat to dry.
