

Hat with Seeded Rib Band

A TEXTILES A MANO DESIGN

This warm and cozy hat is knit with one strand of kid mohair and one strand of wool or wool blends. It is fabulous for a day of skiing or a walk about the town. The pattern is designed for a woman's average size.

Materials

Yarn is provided in the kit. Changing the pattern or the size may result in a shortage of yarn.

Needles

US 10.5 circular 16 inch and a set of same size double point needles. If you knit very tightly, you may want to switch to #11 needles, instead of refiguring all the numbers.
